

CORK BRICKS BEV

ABOUT CORK BRICKS BEV

With a rustic and modern look at the same time, the BEV has a rough but distinct aspect because of its similarity to the natural cork bricks. It stands out because of its beveled edges, which gives it a bigger volume effect. Cork Bricks Bev provides a natural but luxurious look to any room.

MATERIAL

Natural cork pieces, pre-cleaned and treated, with an immersion finish of color pigments and other protection additives.
