Global Collection

The Global Collection's ceramic wall and floor tiles have been in the Mosa family for decades. Today, the series offers unparalleled performance that has been thoroughly tested in the realities of daily life. Combined with its elevated looks, the range effortlessly communicates bespoke, spatial luxury. By design, the Global Collection encourages spontaneous creativity. This series is flexible and versatile. It can transform any surface to suit any mood, its products conceived to allow for unlimited intuitive expressions of character through its colour, texture, and size options.

Colour is an intrinsic part of the Global Collection's strength and identity. The series covers a spectrum of shades and hues, creating countless opportunities for imaginative creations. Expertly composed to meet evolving design needs, the Global Collection can achieve a wide variety of atmospheres. The harmonious range of timeless products is available in Mosa's signature pure glazes for wall tiles and coloured clay pigments for floor tiles.

Service

Sample service

Choosing the right tile purely on the basis of photos can be tricky. You can more easily judge the quality, colour, texture, and the design if you have the tile in your hands. Colour samples and sample folders can therefore always be requested free of obligation via your project adviser, Customer Service, Mosa showrooms, partners, and our website.

Documentation and personal advice

From design to implementation, you can turn to Mosa at every stage of the process for inspiration, production information, or advice. Our website features a wealth of information and resources, including references, brochures, technical specifications, other specifications, and much more. If you would like personal advice, please contact our Customer Service team or project advisers.

Design Studios and distributors

Mosa has its own Design Studios in Maastricht and Amsterdam where designers, architects, and clients can come to experience the look and feel of our entire tile collection. Alternatively, you can go to one of our distributors. Our website will provide more information on the distributors near you.

Any questions?

We set high standards for the advice and support provided to our clients. This means that we actively aim for dialogue and that we are interested in what interests you. This forms the basis for good cooperation. We are happy to contribute ideas and suggestions to make things as easy as possible for you. We are a partner, from the beginning to the end of the building process. Our Customer Service employees and your project adviser are always ready to assist you.
